Social influence undermines the wisdom of the crowd in sequential decision-making

Sabine Neuhofer | University of Vienna

Let's talk about needs: A laboratory experiment on the influence of social distance on distributive justice

Eva Vriens | Utrecht University

Using contextualized lab experiments to study solidarity in N-person mutual insurance games

12:15 – 13:30 **Lunch**

13:30 – 15:00 **INFORMATION**

Axel Franzen | University of Bern

Can climate sceptics get convinced? An experimental investigation

Marcel Sarközi | University of Leipzig

An experiment on the effects of anonymous social feedback on private opinions

Flaminio Squazzoni | University of Milan

Mapping the problem-space. An explorative study on the effects of social context information on managerial decisions in organizational setting

15:00 – 15:30 **Coffee break**

15:30 – 17:00 **NETWORKS, REPUTATION AND COOPERATION**

Thomas Gautschi | University of Mannheim

Network exchange bargaining and risk preferences

Judith Kas | Utrecht University

Digital discrimination: the role of reputation systems

Johanna Gereke | University of Mannheim

Immigration and cooperation: Experimental evidence from a multi-ethnic metropolis

20:00 **Dinner**

Friday 6 September

9:00 – 11:00 **SOCIAL NORMS**

Martina Kroher | Leibniz University

Jaywalking: The relative weight of normative and punitive cues

Áron Székely | Italian National Research Council, Institute for Futures Studies

Norm emergence and change in threshold cooperation problems

Ivo Windrich | University of Leipzig

Normative expectations in the loss domain

Fabian Winter | Max Planck Institute

The break-down of anti-racist norms: A natural experiment on normative uncertainty after terrorist attacks

11:00 – 11:30 **Coffee break**

11:30 – 13:00 **METHODS I**

Luis Miller | Spanish National Research Council

A comparison of incentivized and non-incentivized methods to estimate experimental treatment effects

Davide Barrera | University of Turin

Is trust a game? A lab experiment on the effects of frames and incentives

13:00 – 14:15 **Lunch**

14:15 – 16:30 **METHODS II**

Bernhard Kittel | University of Vienna

The development of experimental sociology: A long tradition at the margin of the discipline

Tobias Wolbring | Friedrich-Alexander-Universität Erlangen-Nürnberg

Past, present and future of factorial survey experiments: A review for the social sciences

Vincenz Frey | Bocconi University

Internet access and civic and political participation: Evidence from a quasi-natural experiment

16:30 – 17:00 **Closing remarks**
