Sala Triaria

Villa Schifanoia, Via Boccaccio 121 - Florence

29-30 JUNE 2017

■ INTRODUCTION

This workshop is an authors' meeting for a special issue of *East European Politics and Societies*. In the course of Eastern enlargement, the countries of the region have undergone a massive Europeanisation, a process of a change of the political and economic systems. The special issue will take stock of the political and economic development of the new member states after accession and their post-enlargement Europeanisation.
