

WORKSHOP

EUI-NOMICS 2018: DEBATING THE ECONOMIC CONDITIONS IN THE EURO AREA AND BEYOND

Massimiliano Marcellino | Bocconi University / European University Institute

Sala Europa

Villa Schifanoia, Via Boccaccio 121 - Florence

27 APRIL 2018

■ INTRODUCTION

The EUI-nomics workshops provide a forum for discussion among academics and economists in public and private institutions about the current and expected future global economic conditions, with a special focus on the euro area and its member countries. For each country/area there will be short presentations by leading experts followed by general discussion. The workshops will be completed by a policy panel debating on key economic policy issues for the euro area.
