

DISTANT CLIC Conference 2020

Comparative Life Course & Inequality Research Centre

Organisers: Fabrizio Bernardi & Juho Härkönen

Chairs: Mar Cañizares Espadafor & Risto Conte

18th June 2020

About: DISTANT CLIC is the on-line program of the [Comparative Life Course & Inequality Research Centre](#) at European University Institute. DISTANT CLIC creates an on-line space of academic discussion, research and training on topics related inequality, social mobility, social demography and life-course. DISTANT CLIC connects current and former members of the EUI Inequality Working Group, including fellows, researchers, post-docs and external guests. DISTANT CLIC is an academic network with its center at EUI and links all over Europe and beyond. DISTANT CLIC includes a regular monthly research seminar, special workshops on methods and inequality and life-course related topics and a yearly conference in June. See below all details regarding the 1st DISTANT CLIC Conference.

Location: Zoom.us

Time: 14.00-18.30 (CET)

Format: 30 min for keynote presentations followed by 10 min Q&A. The rest of the presentations will last for 20 min and will be followed by 10 min Q&A.

Papers are available upon request.
