

## Ethics, Transparency and Data Protection in Research: training course

Fridays 26 February, 5, 12, 19 and 26 March 2021

13:30 – 15:00, online (zoom)

- **DESCRIPTION**

The course is an introduction to basic aspects of ethics and transparency in social science research, particularly with human subjects. In addition to general considerations, the research ethics review process at EUI will be introduced. We will also cover an introduction to data protection and data protection regulations in Europe.

- **FOR WHOM?**

All members of the EUI community (faculty, researchers, Max Weber fellows). Early stage researchers are particularly encouraged to attend.

Please note that no study credits are associated with this course.

Participants who attended 4 out of 5 sessions can request a certificate of attendance.

- **ORGANISERS**
