FSR Climate annual conference 2021

#FSRClimate

29-30 November 2021

Chaired by **Simone Borghesi** | FSR Climate, European University Institute

Introduction

[FSR Climate](#) is pleased to announce its **7th Annual Conference on the Economic Assessment of European Climate Policies** to take place online on Monday 29 and Tuesday 30 November 2021 from 10:00 to 16:10 CET.

The conference will cover the main climate-related existing policies at EU, national, international and sub-national levels. It will include three sessions on *Energy Efficiency and Renewables*, *Environmental taxation*, and *Emissions trading*. In addition, the conference will comprise a keynote speech from Estelle Cantillon, and a policy session focused on carbon market integration.
