

# FSR Climate Annual Conference 2022

FSRClimate

## 1 - 2 December 2022

Online event

Chair: **Simone Borghesi** | European University Institute and University of Siena

### Introduction

[FSR Climate](#) is pleased to announce its 8<sup>th</sup> Annual Conference on the Economic Assessment of European Climate Policies to take place online on Thursday 1 and Friday 2 December 2022.

The conference will cover the main climate-related existing policies at EU, national, international and sub-national levels. It will include three sessions on Environmental taxation, Emissions trading, and Energy Transition. In addition, the conference will comprise a keynote speech from Mar REGUANT (Northwestern University), and a policy session focused on the key outcomes of COP27.
